Education News in Nepalese National Dailies: Media Monitoring Report 2015 Published

Mr. Sant Ram Dangol in the dash welcoming all the participants at the Program

Lalitpur, Loo Niva published Media Monitoring Report-2015 on 20th April studying the education news printed in 12 Nepalese National Dailies from 1st January to 31st December, 2014. The study analyzed about the present status of educational news in media as well as identified the major issues of the school education. News survey and analysis, journalist survey and interview with the educational expert were the main tools used for report preparation. The report concluded that the coverage of educational news

is remarkable this year comparing to the previous years. But the access and presentation of news are urban centric. Mr. Hari Lamsal, Sub-Secretary and Advocate from Ministry of Education commented, “The journalism on education has been supporting to Education Department for accountability.” He expressed gratitude towards Loo Niva for organizing the program which should be done by MOE or DOE. On the behalf of MOE, Mr. Lamsal was ready to support Loo Niva to prepare national report.
